Application Instructions and FAQ

- A. Properly complete all appropriate City and State Application Forms. All City application documents, including appropriate payment should be returned to the City Clerk who will coordinate review and approval by the ABC Administrator. Incomplete or deficient applications delay processing, and your application may be returned.
- B. Please review the City of Paris Ordinance Chapter 62 for all rules and regulations that apply.
- C. The following requirements must be met: Minimum of 21 years of age to apply; KY resident for the past year unless you apply as a corporation, LLC, or Ltd. Partnership ownership; A Citizen of the US unless you apply as a corporation, LLC, or Ltd. Partnership ownership; Individuals, partners, officers, directors, or managers may not apply if, within the past 5 years, they have been convicted of any felony, or within the last 2 years has been convicted of any alcohol or controlled substance misdemeanor.
- D. Transitional License: Under State law, if you are purchasing an existing licensed establishment, you are not allowed to use the current owner's license in order to keep the business running while your application is being processed. The current owner would have to continue to run the business during that time. A new City license will be required for this transition. If you are requesting to change your approved premises, you must complete a new application and show documentation that the closure has occurred.
- E. If you do not own the building where you plan to establish your licensed business, you must send a copy of the lease, dated and signed by both the lessee and the lessor. The Lessee must be the same party, or parties, as listed on the Application Forms. The lease must be valid and in force through the full license period. A notarized Tennent Letter from the lessor must be included acknowledging that the lessee is intending to serve alcohol at the location.
- F. The City's license period ends annually on June 30.
- G. A valid City of Paris Business License must be valid and in force through the full license period.
- H. The local application review process will normally take from seven (7) to ten (10) working days at the local level. If problems or questions arise, the review time may increase. For this reason, it is very important that the applicant furnishes a telephone number where a responsible party may be reached.
- I. Applications for renewal of licenses required by this section shall be made for each fiscal year with a license period beginning the first of July and extending through the last day of June of the succeeding year. Renewal invoices will be mailed but it is the obligation of the business to ensure applications for renewal should be filed thirty (30) days prior to expiration.
- J. The City of Paris ABC License Fees for Alcohol Licenses are detailed on the application and subject to change. Any licenses issued for less than a full year may be prorated, if the license period will be for less than half a year.
- K. A special temporary license may be issued for a regularly organized fair, exposition, racing association or other party. You must be a non-profit organization, racing association, or political campaign function. If you are a for-profit individual or organization, the event must be part of a bona fide civic event or community sponsored event.
- L. Title 804 KAR 4:110 Section 1 any wholesale, distributor, or retail license under which no business is transacted during a period of (90) days shall be revoked by the Alcoholic Beverage Control Board or surrendered.
