

## NOTICE

The City of Paris will be upgrading the online utility payment website on April 1, 2019. The current payment link will be disabled and replaced with a new shortcut featured on the City of Paris website (<https://paris.ky.gov>).

Upon login, you will be required to complete a one-time setup to establish your new account. You may refer to the March 29<sup>th</sup> bill for additional information. Starting April 1, 2019, a credit card service fee will be applied to all credit card transactions. This will include payments made online, via telephone, and in office. We appreciate your patience during this transition.
